

The City of Calabasas has big green ideas for the 2010 Earth Day Festival. Everyone is invited to the Calabasas Earth Day Festival that will take place on Saturday, April 3, from 1:00 p.m. until 5:00 p.m. at Las Virgenes Creek on Agoura Road (next to Albertson's shopping center).

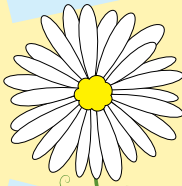

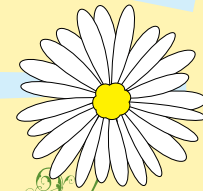

The Festival aims to celebrate the ever growing and diverse environmental interests found throughout our region.

Admission to the 2010 Earth Day Festival is FREE and the celebration will include educational displays from community groups, environmental organizations, environmentally-conscious businesses, and government agencies. Music band Acidic will perform live music.

This family-friendly event will include children's activities, educational programs, a live animal show and a display of eco-friendly vehicles. We invite you, your family, and friends to come enjoy the beautiful Las Virgenes Creek restored site and all of the green fun.

EARTH DAY FESTIVAL

Saturday, April 3

1pm - 5pm

(Las Virgenes Creek on Agoura Rd.)
