

You are invited to attend the
***Santa Susana Field
Laboratory (Rocketdyne)
Workgroup Meeting***

Thursday, October 18, 2007

Simi Valley Cultural Arts Center

Main Stage Theatre

3050 Los Angeles Avenue • Simi Valley, CA 93063

Workgroup Meeting

6:30 p.m. - 10:00 p.m.

The discussion topics will be:

- **State Senate Bill 990** – An update on the legislation sponsored by State Senator Shiela Kuehl to place restrictions on re-use of the SSFL will be presented by the Department of Toxic Substances Control and the Committee to Bridge the Gap.
- **Dayton Canyon** – An update on results of sampling performed for the proposed residential development near SSFL will be presented by the Department of Toxic Substances Control.
- **Ongoing DTSC Activities** – An update of DTSC activities related to their oversight of SSFL cleanup will be presented by the Department of Toxic Substances Control.
- **Panel Discussion** – A panel discussion of ongoing agency activities and overall status of the SSFL cleanup will be conducted among the Workgroup members.

The public will have an opportunity for questions and comments for the Workgroup. A complete agenda noting times for specific topic discussions will be available at the meeting.
